Sure I can draft something. Do you just want a general summary? I can probably cut and paste a lot from the SOW.

I was asked to provide detail about our Israeli visitors given Pruitt's upcoming trip to Israel, and sent the paragraph below. It reminded me that we probably should produce a desk statement on

where we are at (and where we are going) with the AWG effort. Can you guys make a first crack at it? Then I can edit (including getting input from MJ and Cissy as needed. While things may evolve quickly to shape content (e.g., other vendors), I'm thinking there will be continued requests for summaries of the work, and we might as well get started.

Hi Michelle,

Is there any way you could send me some information about the your meeting with the Israelis?

My AA is requesting the information so she can notify the Administrator of the meeting since he will be visiting Israel next month.

Thanks,

Will
